

NAOMI CARKNER

LEASING MANAGER,
REAL ESTATE AGENT

Naomi joined the Real Strategy team in the Fall of 2019, having previously worked with Darren Fleming for many years. Her role as Lease Administrator keeps her consistently engaged with clients and requires detailed familiarity with their leasing needs. Naomi enjoys seeing deals through from start to finish and the bonds this creates with clients—both past and present. With over twenty years of accounting and office administration experience in both Canada and the UK, Naomi has quickly become a core resource in the accounting, administrative, and legal aspects of our commercial real estate portfolio.
